

School of Computer Science – Coursework Issue Sheet

Session	2025-2026	Semester	Spring (Full Year Module)
Module Name	Individual Dissertation Single Honours	Code	COMP3050
Module Convenor	Dr Matthew Pike		

Coursework Name	Project Demonstrations (Practical)	Weight	15%
Deliverable	- Recorded video presentation (10%) covering background, motivation, aims, objectives, workplan, software, results, and impact of the final year project. - Question and answer session (5%) where students answer questions related to their project.		
Format	- Submit an MP4 video less than 10 minutes long. Name the video file with your student ID number (e.g., 2021XXXX.mp4). - The Q&A session will be conducted face-to-face with the supervisor and two other markers.		

Issue Date	Beginning of Academic Year
Submission Date	- Video recording submission deadline: 05 May 2026 at 15:00 - Q&A sessions: (TBC) 14 May 2026. Students will receive an email invitation from their session coordinator with their assigned timeslot.
Submission Mechanism	- Video Recording – Via Panopto. Details on Moodle - Q&A Session – Face-to-Face
Late Policy	- Video recording late submission penalty: 5 percentage points deducted per hour past the deadline. - Q&A session has no late submission option, in-person attendance is required.
Academic Conduct	Everything in your video recording must be your own work and in your own voice. Using generative AI tools to produce any written, visual or audio content in your demonstration recording is academic misconduct and will be treated accordingly. All images, code, and third-party materials must be properly attributed.
Feedback Date	Within 15 working days following the deadline or submission date, whichever occurs last.
Feedback Mechanism	In-person feedback with Supervisor

Instructions	See the “Submission Guidance” document on Moodle.
Assessment Criteria	See the “Submission Guidance” document on Moodle.
